At the risk of either rambling on for too long or repeating what I'm sure you must have already read countless times, I can say that our Gothia Cup experience was absolutely amazing. Our son, Alex came home exhausted, but having had the best time. As for myself, I loved every minute and, as you predicted, wished I'd booked for longer when I had to come home on Wednesday evening. We're desperately hoping Alex will be fortunate enough to be selected again next year. If so, I will definitely book for the full week.

Huge thanks for all of your hard work in coordinating the Prep Schools' Lions - the superb communication and attention to detail made it very easy for us as parents.

I'd also like to recognise the hard work of the coaching staff. All of the Lions coaches that I came across were brilliant, but I'd specifically like to mention James Lewis and Emily Goss who took Alex's team - B12 Maroon. I'm sure it must be a tough job looking after 15 young lads for the week (I sometimes struggle with just 2!), but James and Emily were outstanding. They were professional, enthusiastic, patient and courteous at all times.

I hope you managed to enjoy the Gothia Cup as much as we did. As they said at the opening ceremony "memories to last a lifetime". That's for sure.

Enjoy the rest of the Summer.

Thanks and Regards  
Bruce

Thanks so much Dan.

The event was truly phenomenal and Ozzy had a brilliant time.

It's amazing how the leaders, coaches, teams and parents come together in such unity when they're not in each others presence for very long each year and this is true testament to all your hard work.

Congratulations to you and your team on yet another fabulous Gothia Cup and sincere thanks from us.

Kind regards,

We just wanted to write to express our thanks to your team for running the most fantastic experience for the boys.

Ben has described it as “the best week of his life” and his coaches as “the best coaches ever”. He had an absolute ball from the moment he met the team at Heathrow. He cannot wait for next year (if selected!).

Thank you once again to your team.

Dear Dan

Just a note to thank you so much for organising this amazing trip for the Boys from England.

I'm am sure a lot of your free time and efforts has gone in to making this trip as problem free as possible for all concern and for this we are all very much appreciative.

It certainly is a trip of a lifetime for a 12 year old boy like Morgan. It will be a memory I'm sure he will keep for a long time.

He had a wonderful week and both Mark and myself have had as much fun supporting his team, other prep school teams as well as watching other countries teams play.

The staff, Chris and Max were great, supporting the whole team, I can imagine they will need a weeks holiday to recover Morgan is full on, non-stop at home so I expect he has kept them on their toes and not given them too much rest. Please thank them on our behalf for looking after our son so well.

Neither Mark or myself had been to Sweden before and we were also able to use the fantastic tram system in the city to see other parts of the city on our visit.

The highlight of course was that amazing opening ceremony. And if you get a chance to thank the organisers of that on our behalf that would appreciated.

Thank you again for all you have done it had been a great experience

Kind Regards  
Sarah and Mark

Hi Dan, We have four words to describe the experience:

Wow! Bravo! 2019! Yes!

(if boys get invited to come for 2019)

We believe that every boy who dreams to be a footballer should have the privilege to experience this awesome World Youth Cup. Kiyani was very happy and his confidence grew as he scored goals and assisted team players to score too. Every boy was made to feel valued in the team.

I must also mention our gratitude and admiration for both coaches, Max and Chris and yourself! We the parents, and all the boys feel that we had the best coaches of the whole World Youth cup! And this would not have been possible if you had not created the opportunity for the boys and coaches.

They encouraged the boys to meet other boys, compete and unite.

Both coaches instilled the motto that it is a Team win.

I was very happy to see Max strategize and observe the teams that our boys would be playing against. As you know, they made it to the last 16 losing only to the defending Champions, the Ghanaian academy players, who won the cup again this year. Great results overall.

Chris' and Max's presence, always with a positive demeanour made the boys feel safe and motivated to do their best.

We were also impressed with your whole organisation from the first trials day in November 2017, the district matches, right to the end of this 2018 World Youth cup! Bravo!

Big thank you from the Samnani's.

Hi Dan,

Just to add our thanks to you, Lana and Jack for everything that went into the fantastic experience that Isaac and his B11 Orange team had at Gothia.

Lana has given Isaac renewed motivation to persevere with exercise and sport despite growing pains which have taken the fun out of a lot of his sport for several months. He is already talking about saving up to pay towards the costs of another Gothia Cup trip should he get selected!!

He's made some lovely new friends and has been buzzing ever since he got over the initial nerves. Thanks to the whole team of coaches.

Thanks so much for everything, to you and the coaches - it was an amazing experience for the boys and just to be part of it watching was fantastic - I had no idea of the scale of it from just reading the numbers ... Will had a really good time - slept for nearly 24 hours when he got back 😊

Thanks again, have a lovely summer and hopefully a bit of a well earned break.

Dear Dan

Just a short note from the McCusker family to say thanks for a fantastic time in Sweden.

Joseph played in the B14 Prep School Lions white team – and having the opportunity to play against teams from Sweden and Guatemala was amazing. I would also like to feedback that Joseph's coach (Dan) did a fantastic job.

The opening ceremony was truly exceptional. Watching the England teams (including all the prep school boys) walking onto the pitch behind the St Georges Flags in front of 50,000 cheering fans is an experience we will never forget.

Thanks to you and your team – it must take a huge amount of organisation to arrange the logistics for the trip – and it was truly worth it.

Dear Dan,

Just wanted to write and say how much Cayden enjoyed his first Gothia Cup experience. He got on well with his team mates and thought his coaches were fantastic.

From a parents' perspective the Lions organisation was great. The coaches were both very positive and communicated well with the team both on and off the pitch. They also kept the parents in the loop as to any free time the boys would have etc.

It really was an amazing experience and Cayden came back buzzing.

Just to add to your hundreds of emails from parents to say, for a second season running what an absolutely wonderful experience Harry had at Gothia this year. I came along this time and was blown away by it all - from the opening ceremony to the phenomenal standard of football, the camaraderie amongst the boys and also the parents! Both Harry and I have come away with new friends!

Tim was a lovely coach who trained our boys brilliantly and looked after them well, along with Sam who took great care of our boys on the occasion when they were victims of a rough tackle. We're still both wearing our Gothia wristbands with pride!

Please can we come again?!

Hi Dan

I just wanted to say a huge thank you for allowing Harrison the opportunity to be part of the prep school lions squad in Gothenburg this year. He was part of B12 purple and had the most amazing time, it was a great bunch of boys and parents but the thing that really made it for him was the coaching team, Ben and Dan were brilliant and Harrison has non stop talked about how good the training was and what fantastic people they were.

It was also an amazing experience for us parents, we were so sad to leave, it was truly a special holiday.

Many thanks, both my boys are looking forward to the camp in August.

Hi Dan,

I hope you've recovered after the past week.

I just wanted to say what an amazing week both Harry and I had. I cannot speak highly enough of both Luke and Simon who turned a fabulous group of boys into a brilliant team who played some great football. Whilst we enjoyed our trip last year, nothing can compare to our experience this year.

Not only were Luke and Simon fantastic with the boys, they were great with the parents. They set up a whatsapp group to provide updates and photos to all the parents which not only allayed any of our worries but also formed a great bond between us all. This was highlighted when, rather than have some time to themselves on Saturday, they chose to spend the day with the boys and their parents and we had a group outing to the beach.

Luke and Simon should be commended on their performance and I would have no hesitation in providing a reference for either of them.

Should Harry and the rest of his team (U12 reds) be successful at the trials for next years' Gothia Cup I would hope that they could remain together as a team and be coached again by Luke and Simon.

I hope that you can now relax and have a well deserved holiday.

Best wishes,

Melissa

Dear Dan,

I write to express our thanks to you and your team for an excellent experience that our son Xavier has just enjoyed at the Gothia World Youth Cup with the B11 Pumas White.

He thoroughly enjoyed the football, albeit, despite the results not all going their way. We watched all but 2 of the games and the boys put a lot of effort in as a team but the luck was just not with them on this occasion.

Xavier was very proud to be representing England at the opening ceremony on the Monday and when we asked him what he thought of the ceremony, he used words such as “awesome” and “amazing”...! It was a truly spectacular event even for us parents.

However, a special thank you must go to you for all the organisation, not to mention all the time that you must put into this event. Organising all the trials, training camps and then getting all 33 teams out to Gothenburg is a huge task, very well done.

I know that he is already looking forward to the training camp at the end of August.

We hope that you enjoy a well deserved holiday and look forward to seeing you at the end of August at the training camp.

All the very best.

Fantastic organisation from yourself, excellent coaching and mentoring from Ant Stevens and Tom Downs and the boys are so much richer from the experience. Whilst they would have liked to have got a little further in the competition, reaching the A group playoffs with a scratch team shows how far they developed in a matter of days and demonstrates the potential that they can now build on.

Thanks again for an awesome week in Gothenburg.

Hope you now get to have a break and put your feet up!.

Dan,

I just wanted to say the biggest “thank you” on behalf of us and Harry for last week. We all had a fantastic week in Gothenburg and it was a real experience for all of us. For Harry it was an opportunity of a lifetime, especially being able to walk out on the pitch at Ullevi with his team mates which I think was a particular highlight! He got to play teams from Sweden, Germany, Norway and Mexico over the week and I think the whole experience will have a lasting effect on him. Yes we had ups and downs with home sickness and not being on his return flight but he came through all those and still loved it and wants to do it all again! I cannot thank enough Danny and Adam his coaches, they did an amazing job in not only looking after the players but in communicating with the parents and looking after the pastoral side of things as well as the football part. Please, please pass on my sincere thanks to them – Harry is very fond of them both and they were truly fantastic.

Thank you for all you do behind the scenes and everyone else involved in the Gothia experience – you should be very proud of what you achieve.

We are still coming back down to earth - Algy was pretty flat when he got home after the week of his life.

I must thank you again for this superb opportunity for Algy and for organising every detail so brilliantly including Chris and Max who gave the boys such confidence and encouragement throughout- never a hint of anything but positivity. It was a real lesson to these boys who sometimes aren't quite as lucky as we are at school, with teachers who let their lust for a win creep into their coaching. The boys and parents alike had such huge huge respect for Chris and Max, and the way they managed us all was hugely professional.

Algy is praying he makes it again next year - he has such superb memories and new friendships from Gothia Cup, as do Johnny and I.

A quick note to thank you and your team for all of the fantastic work you have done in organizing the Gothia trip. Dom and Stephen, Louis' coaches were a credit to both you and the organization. The coaching was of excellent quality, full of encouragement and constructive support. In addition to this the pastoral care that the boys received was fantastic. They always seemed to have a smile on their face due to the fun they were having and Louis has described the trip as "his best ever!" The team formed a really close bond and it seemed that both coaches wanted to continue working with them in the future!

Just a quick note to say how much Harry enjoyed playing for the B14 Blue team at the Gothia cup. Oliver & Kris were brilliant with the boys in the way they coached them and supported them over the week.

Equally they communicated & interacted very well with the parents so all in all a very positive trip. It was just a shame that they could not have progressed further but the standard of teams they came up against was high.

If you could let them know this feedback that would be much appreciated.

Hi Dan,

Huge thanks from The Harmans for what was THE most fabulous experience in Gothenburg which exceeded all of our expectations. It truly was a memorable experience for us all and Kevin and I can't thank you, Elliott and Gus enough for agreeing to take Bradley with his allergies under your wing for a trip of a lifetime.

Gothia made such a positive impression that we all keep reminiscing "this time last week.....!" It was an experience that will stay with us throughout our lifetime and we can't thank you and your team enough for making everything run so smoothly.

Wishing you all a fabulous summer.

Very best wishes,

Sally

Dear Dan,

What can I say? Apart from a huge thank you to you and your team for taking the boys to such a fabulous tournament.

Tim and I were so impressed with the level of organisation your team undertook to ensure our boys had a great time. The trials last November were nail biting and Zeb was delighted to be picked. So much so that when I told him he jumped into my arms and burst into tears! Perhaps you don't mention that one as it won't do his street cred any good.

Can I please pass on a huge thank you to Robbie and Victoria. They were quite simply the best coaches and physio we could have hoped for. The boys seemed to all get on and played well as a team (although Robbie may have other comments on that). Robbie seemed to strike the right balance between strict but allowing them some freedom and obviously we loved it when we could have free time with the boys. I know there have been a few comments about keeping the team together, and if that happens, we would be absolutely delighted as we thought what a delightful bunch of boys they were and a credit to all their parents. Zeb had a few tears when he left and said it was the best experience he had ever had!

Finally, a big thank you to you. Without your dedication I very much doubt this would go ahead. You definitely made one boys Summer!

Best wishes

Juliet

Thank you and your team of coaches for organizing this event. We are truly grateful. Elliott and Gus looked after the team superbly, this was doubly important to us as Bradley has a nut allergy. The whole week was incident free. BIG THANK YOU .

Dear Dan

Apologies for the delay in sending this email on, it does not make the sentiments any less sincere.

A huge thank you to you and all your team, but particularly Matt & Luke, for making Dan's 10 days in Gothenburg one of the best times of his life (his words).

The organisation throughout has been incredible and the professionalism of everyone Dan has encountered has been noticeable.

I think it is a huge credit to all that, despite the fact Prep School Lions teams effectively arrive as 12 individuals, they leave as a team. And perform as such against Academy sides that presumably train together week in week out.

Dan loved every part of the experience - the trials, the training camp but most importantly Gothia itself. His enjoyment was not just on the pitch - although scoring goals and winning games obviously helped!! - but the flights, the opening ceremony, the food, the dorm, the evenings, the free time, the days after the football was over, the whole thing.

We hope you can enjoy some down time over the summer before you have to start planning next year. And once again, a huge thank you from us all.

Kind regards  
Julia Yates

Dear Dan,

A very belated (we've been away) but nonetheless heartfelt thank you for all your organisation, time & effort spent on planning the Gothia trip this year. It was a fantastic experience for Mila, as a player, but also for us as a family. We were blessed with fantastic weather & loved the city - so easy to get around & we saw more of it travelling to the various matches than we ever would have done otherwise. There was some fantastic football to watch & a wonderful opportunity to play against teams from all over the world. We all absolutely loved it - thank you.

I hope you are enjoying your summer & once again many thanks for an experience of a lifetime!

I would like to take this opportunity to send special thanks to you and your team of coaches, physios and staff. Dan and Matt were truly amazing and gave excellent coaching, commitment and were a pleasure to be around. They looked after the boys superbly and everything was so well organised.

I had absolutely no idea what to expect of the Gothia Cup but we were overwhelmed with the enormity of the tournament and the fantastic atmosphere both on and off the pitch. We stayed in a hotel in which there were at least 10 different nationalities all playing table tennis together!!!

We very much look forward to being a part of it again in 2018.

Dear Dan,

I just wanted to say a huge thank you from the Clark family to you and all the administrative and coaching team for all that you have done for Oliver and Edward this year, from the exceptional A squad programme to the fantastic experience that they have both thoroughly enjoyed in Gothenburg.

The high standards of coaching set by Alex and Charlie in the U13 and U11s respectively during the season have continued through Gothia, with George and Asa providing a great learning environment for their teams. It is a great credit to you and to the Prep School Lions organisation that you can attract this calibre of coaching staff, and we are very grateful to all of them.

Although they have now switched back into cricket mode, both Oliver and Edward have and will continue to talk about all their experiences, and I'm sure will remember them for many years to come. We were just sorry not to be there to support!

Best wishes,

Jeremy, and the rest of the Clark family.

Dear Dan,

First of all, I need to say thank you to you and all your staff but in particular Simon and Lana for a fantastic week last week. Callum had an amazing time. It was such a valuable experience, both on and off the pitch. It was amazing seeing the team come together so quickly and then to do so well. I have never felt so stressed watching him play or compete in anything. Those penalties.....! And also, it was a great time to gain some independence and maturity in managing themselves as individuals away from home.

It is such a fantastic opportunity that you provide for these boys.

Thank you for your incredible hard work in making the Prep School Lions an unforgettable experience. Toby benefited hugely not only from the valuable coaching and playing on pitch but equally by all the motivating pastoral care and camaraderie off pitch.

We can't praise enough the three coaches, Chris, James and Andrew for their exceptional coaching and mentoring skills. Even when the team lost through gruelling penalties in their final match, they expertly picked the boys up and showed them what great sportsmanship is.

We look forward to hearing about the process for next year, Toby would certainly be very keen to be involved.

Many thanks to you and especially Chris, James and Andrew.

Hi Dan

What a phenomenal week we have had at Gothenburg. Can't believe how well Matts team has done... made it to the last 16 teams out of a 138, and considering that some of the teams they played probably play together all year round, and our boys haven't!

Matthew has been in a buzz over the whole experience and now that things have calmed down, he kept wishing gothia is happening again ... I think because it has been such an event for him to look forward to this entire year, and it seems to have come and then gone so quickly, it seems surreal! He really really enjoyed the football matches, the opening ceremony, his team mates and simply everything about it.

Thank you too for looking out for him, he has really come out of his shell, according to Sam, and mingled well with the other boys, and have made some great buddies. we are so proud of him :)

Please do thank George and Sam again if you see them, for looking after Matthew and everyone who is involved in the organisation of this event, it has been awesome for John and I too!

Dan, thank you once again, it was a fab week.

Have a super holiday and a great summer.

warmest regards

Dan, I just wanted to thank you and your team for organising a great week of football in Gothenburg.

My son James has a great time and really enjoyed making so many new friends during the tournament.

I would like to express my special thanks to the coaches of B13 2, Samantha and George. It was a bit of a culture shock for James at the beginning of the week as he was the youngest in the team and effectively playing up a year. He was a little quiet and remote from the Group. Both Sam and George spotted this and helped him integrate. I popped into the school towards the end of the week to find James holding court at dinner in the middle of his team mates! Both coaches were full of encouragement and praise for all the players which helped him enormously.

Thanks again for all the hard work you put in to make this event the success it is. The players get so much more out of this than playing good level football.

Best wishes

Dear Dan

I've been meaning to write to you on behalf of Harry ( Dewar) and myself to say a massive thank you for the week at Gothia. I have genuinely never seen Harry as happy as when he returned and he said it was the best thing he has ever done. I think life at home has been quite an anti-climax!

He absolutely loved his team and misses his team mates so much now he is home - though there seems to be a plan to meet up again at the end of the summer and they are all in constant contact on social media etc. How lovely for them to have made some really good, new friends. He refuses to take his Gothia wristband off - think he'll be wearing it all summer!

My parents (Harry's grandparents) went in my place as I was unable to go and they absolutely loved it too. In fact, they too made lots of new friends and they tried to change their tickets so that they could stay on until the end because they were having such a fantastic time. Their first question to me was if they could please go again next year!

So, all in all a resounding success. Harry has only ever really played for the school football team (and endless footie in the garden, of course) but he has been so inspired by his experience with the Prep School Lions that he wants to put his cricket on the back burner this year (he's a district player) and he's joining a football club so that he can concentrate on his football year-round. I can't tell you how great it is to see one's son feeling so happy and inspired by something!

Thanks so much once again, I know how much effort went in to the planning and executing of it all. The boys (and parents) are extremely grateful. It really was an amazing experience that Harry will never forget.

Best wishes

Hi Dan,

Can I just say that I was so incredibly impressed with every part of our Gothia experience from start to finish. I am involved in a lot of organisations and I was so impressed with how smoothly everything went.

I would particularly like to mention Sol's 3 coaches. They were truly fantastic and I could not have felt that he was in safer hands.

At the beginning of the week Sol was really home sick and when we arrived he was quite teary. The coaches supported him every step of the way (especially James) and after we left on the Wednesday he went from strength to strength and came home feeling like he could do anything!

So, in summary I would like to thank you and all your wonderful team for giving the boys an experience of a life time!

Take care,

Hi Dan,

I just wanted to say a huge thank you for all your amazing organisation for the Prep School Lions Gothia Cup.

Neither myself or Fergus had any idea what to expect and we found the whole experience amazing. Fergus didn't know anyone in his team, apart from when they met at the Easter camp, and it was with some trepidation that I waved him off at Heathrow! However, it is thanks to the organisation, the spot-on attitude and support from George and Sam and the passion of the boys themselves that made this a brilliant (and successful for under 13 B2) week and I am so pleased that Fergus had this opportunity and apart from enjoying great football, I have no doubt he took away very much more from the week.

Please pass on my huge thanks to George and Sam for their energy, enthusiasm and commitment.

Dear Dan,

I can't thank you enough for the experience's you are opening for the boys. They have learned and gained so much from being part of Prep Schools Lions. The exposure to so many different highly professional coaches and physio's, to other boys from very different schools, has been a huge part in both boy's ability to create positive relationships with both adults and their peers. Dealing with the massive highs and then coping with the huge disappointments when playing in the tournament, have certainly had a significant part to play in the development of their emotional well-being. Over the last four years I have seen an enormous positive change in their ability to cope with varying situations that they've had to deal with. I truly believe that being part of such a well-established, incredibly well organised and professional set up has given both my boys a real sense of self-worth and value. They are both extremely proud to be part of the Lions.

I apologise for the emotional 'fluffy' comments, but we're all still on the 'Gothia high' and the boys have come back buzzing.

Have a great summer,

Kind regards,

Before I hope you get chance for a Summer break I want to write to say thank you to you and your team for a wonderful Gothia experience. It was an extraordinary week that we didn't want to end.

Owen (B12 5) had an amazing time in his team and enjoyed every part of the time with his team mates and Asa and Melvin. It is a testament to the boys and Asa that despite having not played a competitive game before Monday made it to the last 16 of the cup. We found Asa and Melvin to have the perfect balance of coaching, discipline and support.

We enjoyed having the opportunity of being part of an incredible event that was from our view appeared flawlessly organised. Aside from watching our team throughout the competition watching the B11 team at Kviberg win their quarter final on Thursday evening is one memory that will stay with us for a long time.

Thank you again for all the time this must take throughout the year and I hope you have a great summer and a chance to recharge for the new season ahead.

He thoroughly enjoyed the week, the football was fantastic and he has learnt a lot and come back focused on the areas he knows he needs to improve on. It really has been the most wonderful experience for him.

Tim has been an amazing coach, so encouraging and made Jack feel like a valid part of the team. I'm sure I'm not the only parent saying so, and Jack spoke highly of Sam too. I think it is testament to the two of them that so many of the B14(2) boys want to return.

Dear Dan,

A huge thank you for organising the trip to Gothenburg. Rowan and Quinn had an amazing time and loved every minute of the tournament. They are already keen to book on again for next year and we hear there is some exciting talk about Gothia Cup China! Either way, they would love to join in.

Our coaches Simon and George were fantastic. So professional and amazing with the boys. If possible, we would be grateful if you would kindly let us have a contact address for both, so that we can send a personal thank you card to them.

Once again, thank you to you, the coaches and all the support team. An amazing experience, with lots of fun and enjoyment along the way.

Very best wishes,

Wendy and David Miell-Ingram

Hi Dan,

We just wanted to thank you for the great experience both our boys had at the Gothia Cup.

Neil and I were lucky enough to travel out with our other son Harry and though what a well organised event it was. The boy's teams were really well drilled and seemed to gel even though they had only just come together so it was a credit to you all that it worked so well, so please extend our thanks to Dom and Daf and their teams.

Both boys have come back on high and are hoping to have the opportunity to return next year and our youngest who is 8, is already asking when he can go!

Thanks again for the opportunity and hopefully Max and Tom will be there again next year.

Kind Regards

We have just arrived back from a wonderful week in Sweden for the Gothia Cup. I would like to thank you and your team for organising the trip. We really appreciate the hard work you have put in to this to make such a large-scale event work so well with so many teams.

I thought across the age groups the boys were fantastic, working hard, playing great football with lots of smiles on their faces.

The experience for Tom was amazing and he thoroughly enjoyed his football at Gothia as well as forming new friendships with a great bunch of players.

Hopefully you will now get a well-earned break.

All the best

Just a quick email to thank you and your team for this week.

Everything has been so well organised; the boys have played some great football and met new friends. I've really enjoyed being here and watching the matches. My son Rory is loving every moment of this experience.

I would also like to say how fantastic we all think Daf and Molly are. They have looked after the boys, coached and advised them and been informative and professional with us parents.

They really are quite an asset.

Thank you again for everything.

Just want to say thank you again for what you do for football for these youngsters. I can't tell you enough how grateful I am as Matthews confidence in himself has grown so much since being picked for the A squad.

To sum up the week in Gothenburg from the parents' point of view, we might have dropped off our little boys at the airport but a week later we collected young men. We watched proudly, as our boys grew in confidence, developed interpersonal skills and worked as a team with lads that they hardly knew and in the process developed friendships.

To Dan, the coaches and staff - you were all just amazing. The impact you have on the lives of these young men will be far reaching and you have given them memories that will live on for a lifetime.

Morning Dan,

I am writing to confirm that Archie would love to accept the offer to return to Gothia with the Pumas next year.

Archie returned from the trip inspired by the experience and also from the coaches Sam and Max. I couldn't have asked for better role models. It was a pleasure to see how he matured in such a short period of time. For this reason alone, we are really excited to see his development and growth, another year with the Pumas.

Thank you and best of luck in securing your next years teams.

Thanks so much for such a great week in Gothenburg. Milo and Felix had a brilliant time and enjoyed every minute of it.

Dear Dan,

I thought that it might be good for you to know that Ben has been invited in by Crystal Palace for a 6 week trial for their academy. I believe that this has been directly influenced by his involvement with the Prep Schools team last year. All the games and training made an impact, (while we did not see much change on the pitch early season last year). Then the Easter training camp really brought around confidence. We put Ben in a camp in the summer half term soon after that and the coaches said they felt he was good enough to be in an academy. Soon after that he was scouted by Crystal Palace and was asked to come in for a trial game. Ben got back from Gothia, where he played his best ever football, and went to his trial game with Crystal Palace. He was one of two outfield players out of about 25 boys to be picked for a trial with the academy.

Thanks you so much,

Michelle

Dear Dan

With school holidays coming towards a close Sam, Rachael and I just wanted to say a big thank to you and particularly Simon and Monica for the fantastic experience our son, Sam, had playing for the Prep School Lions in Gothenburg.

Not only did he hugely enjoy playing and doing so with new team mates, he learnt a huge amount from Simon (and wished that he has been able to have more pre-cup training to learn more!). His footballing skills and thinking were taken to a whole new level.

Best wishes,

Andrew

Hi Dan

Hi Dan

Tane had the most brilliant time (absolutely loved the whole Gothia Experience!)

Thank-you for all your effort and support, he really got a lot out of the whole experience!!

Many Thanks!

Dear Dan,

I just had to drop you a line to say how absolutely brilliant the Gothia Cup experience was for us, as parents, and for Harry, in particular. Harry played in the U11 (3) team and they managed to get through to the last 16 teams, only to be beaten by Ghana, who went on to win their overall age group, so a huge achievement.

I was absolutely amazed and thrilled at how well Cammy built up the team, gave the boys confidence and taught them so brilliantly throughout the tournament. He was such a wonderful inspiration for the boys and for us, the parents. I can't praise him highly enough and I just hope that he can keep the same group next year when they move up to U12 (that is if Harry gets into the team — not a given I am sure given the strength of the squad!). Please, please!!

I had absolutely no idea of the scale of the Gothia Cup before I arrived and the City welcomed us all with open arms. All the facilities were just brilliant and we came to love Skatas like home.

Thank you for making this all possible for us all and I look forward to meeting with you sometime.

Best wishes

Rachel (Harry's mother!)

Special thanks must go to Dan Abraham and his team of Prep School coaches, physios and support staff. They were truly magnificent and supported, encouraged and looked after the children superbly throughout. To coin a cliché (and it would be wrong not to use at least one), football was the winner – but at least as far as the Under 12s were concerned, it ended in all too familiar fashion, knocked out by the Germans. Haven't we heard that somewhere before?

Jeremy Richardson

I am sure that the experience he gained at the Gothia Cup, as well as with the ISFA England Squad (who he has represented for the past 12 months), has been a key element in his football development.

It has been a pleasure to be a part of your organisation for the past three years, and I would like to thank you for the immense amount of hard work you have invested.

Hi Dan,

We were so impressed with our trip to the Gothia Cup; excellent coaching, high standard of football and a whole lot of fun. Both Flynn and Jake Ibbotson had the most amazing week, definitely one that they will never forget. Both are keen to go again next year, but would both like to trial for the A squad if possible. I have sent on Alex's report to the boys' school, along with my own experience of what was a truly fantastic experience. The coaches in particular were brilliant, both on and off the pitch. Thank you so much for all your hard work organising.

Dear Dan,

Just a quick email to let you know that we had an unforgettable week!  
We were very impressed! It was so professional and so international (90 countries!).  
The Opening Ceremony gave me goose bumps, just realizing how special it was that the boys were part of something like this.  
Also, the boys were so lovely together as if they were friends for years and played also as they played together for years.

Many thanks for all your support and for organizing such a huge event and we're looking forward to Gothia 2017 as well.

Hi Dan

Thank-you soo much for the brilliant photos, I greatly appreciate them, especially as you must have been very busy!!!  
Very positive feedback from Tane!..(apart from being rather tired!), he absolutely loved every minute of the whole tour!  
He was nervous about travelling without a parent, but it was a truly fabulous experience for him and he would highly recommend it to anyone!  
Also, a big thank-you to his coach Neil and physio Chris, who he said were "great!"...professional but fun!

Hi Dan

Thank you very much for organising another excellent Gothia Cup trip - it must be an enormous amount of work, and for giving Conor the opportunity to participate again.

Conor had a brilliant time, he thought the players got on incredibly well and formed a great team to make the trip such a positive experience, and he really enjoyed working with Pete and Matt, so we would be grateful if you would pass our thanks on to them.

We hope you manage to now get a holiday.

Dan,

Thank you so much for organising such an amazing week.

Unfortunately, I was not able to attend but my husband Simon did and his father, both had the time of their lives. Jake was in B12 team and Timi/Alex were fantastic coaches, parents and friends for the week. I was really concerned that Jake would struggle being away from home and from his twin brother but he had the most amazing time and certainly will never forget the week he had competing.

It was brilliantly organised and an unforgettable event so thank you for all your hard work in putting it together.

Have a great summer

A Big Thank You again Dan, for a wonderful week of football and fun in Gothenburg. Both Aaron and Theo had a wonderful time and really enjoyed the whole week. I've already been hearing "can we do it again next year....?!".

Hopefully you've now begun to recover from what I can only imagine to be an incredibly busy week, I know it was for me and I only had 2 boys out there with you! Could I also ask you to pass on my thanks again to Rob & Tom who looked after Theo so well and Tim & Melina for making Aaron's week such a great one.

Please keep us in touch with plans for next year and we may well look forward to seeing you again.

With kind regards

Dear Dan,

Just a quick note to say thanks for all your hard work in organising the trip to Gothenburg.

Tom had an amazing time and has come back elated, but exhausted!

Cammy and Shannon were a great team, and we're sure that their hard work and commitment played a very large part in how much Tom and his team-mates performed and enjoyed themselves, both on & off the pitch.

There were some very close-fought games when the boys showed great team spirit, but in particular the way the boys reacted when they went 10-0 down to Lizzy at half time was incredible. It would have been so easy for their heads to go down and for the tournament to end on a sour note, but Cammy's half-time talk really inspired them to just go out and have fun. In all my time on the touch line I have never seen a team in any sport lose with such grace and in such good spirits.

Tom has made some great new friends and hopes to be able to play with them again in the future.

Thanks again,

Nick & Anna

I just wanted to take the opportunity to thank you both so very much for all your hard work at Gothia. Henry has had an amazing experience and absolutely loved his time in Sweden - he of course loved playing football, but also thoroughly enjoyed the team experience as well as all the exciting events and activities you had organised.

My husband was extremely impressed by everything he saw, and we cannot thank you enough for making Gothia so much fun for the boys!

I hope you are having a relaxing week off.

Our son Will has had the absolute pleasure and privilege of playing at the last two Gothia Cup.

These are experiences that will live long in his and our memories as we, as a family, have been over on both occasions supporting the teams.

Dear Dan,

Thank you for a fantastic week. Josh really had a great time, particularly because of the his truly wonderful coach, Dan and Physio, Rebecca. They were an inspirational pair who taught the boys so much. Dan did wonders with the team during the matches. He is a fantastic coach. It would be amazing to see what he could do with the boys next year with another years experience under their belts. And Rebecca's care and exuberant personality was infectious.

Dear Dan,

Zach had the best time this year; you're right, he learnt as much off the pitch as on it and the boys came home as a real unit this time round.

Pete was incredible – as was Matt, and we would absolutely love Zach to be able to go back again next year. If we need to sign him up or let you know – the answer is YES PLEASE !

And if you plan on doing any of the pre-season / Christmas or Easter camps, they would be very helpful and I'm sure well attended too.

Have a great summer too; you really do organise a phenomenal week and I don't know many parents who would ever take on that mammoth task. **Thank** you for all you do.

Dear Dan,

I wanted to thank you for giving Patrick such an amazing opportunity in attending Gothia . He has got so much out of it both for his football, and personally in learning how to manage a large tournament, how to be part of a team and managing on his own away from home. The standard of coaching and the level of support he has received from Daff and Molly have been truly outstanding.

Patrick himself has loved it but is now pretty exhausted.

Dear Dan

My husband and I have just spent a week at the Gothia cup with Harry Coe and his team, B13 (4). Having returned this weekend, I wanted to email and thank you and the wider team for facilitating such an amazing and unforgettable experience for the boys ( and for us!)

Harry's team experienced every emotion on the spectrum as they progressed through their games from the pain of a loss, the thrill of a win, the nerves required for a penalty shoot out and the relief and sheer delight of slotting that ball passed the goalkeeper and from the goalkeeper's perspective the relief of keeping the ball out! We witnessed the boys go through it all and with the added dimension of playing teams from other countries - the emotional hot headed South Americans and the slick Scandinavians.

And it wasn't just the football. New friends were made and team spirit was evident from the moment we left them at the airport, through the ups and downs of the tournament and very much alive at the end when they consoled each other as they were finally out of the tournament. ( And I am glad that was the case as I was quite reluctant to go too close given that they all smelled terrible after a week of wearing the same kit!)

It was super - thank you so much!

I have copied in Dan Bather from Highfield because if you do it again, they must send more boys to your selection camp.

Warm regards

Shirley Coe

Dan,

Firstly, we would like to say a very big thank you to you and your team for giving us the opportunity to experience this fantastic tournament.

We cannot imagine how difficult it must have to organise and the ongoing logistics of dealing with unforeseen circumstances must have put your patience to the test.

Theo really enjoyed taking part and has made some lovely friends. The teams looked as if they had been playing together for years, and credit must be given to the coaches for achieving such high standards.

The boys were great ambassadors on and off the field and made us proud. So thank you again for making this happen.

Anil and Claire

Dear Dan

I just wanted to thank you and your incredible team for the most superb week. The Prep School Lions 3 with Cammy and Shannon have had the most amazing experience of their little lives! None of us really had any idea what to expect but what has gone on has far exceeded anything we could have imagined. I wish you could have seen the boys first knock out match on Wednesday evening. They played with such courage and emotional strength. To say the ref needed glasses would be an understatement, to award a hand ball when the ball was at least ten feet from the nearest player begged belief, but our boys dug deep and secured the win, it was beyond exciting!

Cammy and Shannon were great. I'm not sure Charlie will cope without a personal medic at his disposal in September, school matches will seem very basic in comparison! If you are ever in a position to visit DH on the back of this I am sure the boys and sports staff would be delighted to welcome you. Five prep school lions in the school team bodes well for the future!

Enjoy the remainder of the trip, we look forward to welcoming our heroes home on Sunday!

Kind regards
